Brownie “Let’s Pretend” Try-It

*Our Brownie Try Its Program is tailored for each child to obtain each Brownie Try It during the 2 hour class time. We will instruct the girls and provide as much personal attention as possible, however, in order to maintain structure, we ask that **at least two adults** be present during the class to assist if necessary. To earn a Try-It, Brownies must complete four of the activities listed for that topic.*

Try-It activities will be structured around these suggestions:

- Be a mime!** act out a story without using words pg 66
- Dress it up!** dress up and act out how you feel pg 66
- If you were...** with four or more of your friends work together to be a type of machine pg 66
- Act it out.** Act out a fairy tale, fable or well known story pg 67
- Louder, Please!** Try the 2 breathing exercises pg 67
- Putting your best face forward.** Make a mask pg 67
- Tongue Twisters.** Practice tongue twister and make one up of your own pg 67

Junior Girl Scout Theater Badge

During this class, each student will be instructed on a variety of techniques to help each student reach the requirements for the Theater badge. Girls will learn the basic skills of theater as they create masks, learn different character traits, and play theater charades. They will show their acting ability through skits performed in front of other participants. Due to the limited amount of time of each session, some projects may need to be finished at home in order to complete the badge. (Every Junior Girl Scout must fulfill at least 6 requirements to earn the Theater Badge)

Theater Badge activities at Encore Academy will include the following:

- Read a play and choose a character you like and to describe her. (This activity may be completed either before or after class depending on the leader's preference. We can provide plays upon request.
- Creating your own mask from felt, feathers, sequins, and other fun materials
- Learning the art of stage make-up by applying it to yourself, a mannequin, or a friend
- Learn and practice proper breathing in order to be loud enough to be heard.
- Practice and perform a variety of pantomimes and improvisations including mirror exercises, emotional expression, and impromptu conversations. (see p. 170)
